Media Advisory

The agenda for the June 25, 2008 meeting of the Rules, Open Government and Intergovernmental Relations Committee of the San Diego City Council has four items:

- A discussion of proposed ballot measures to be placed on the ballot for the November 4, 2008 election.
- A report from the four City Departments – Major Gifts and Philanthropy Planning, Commission for Arts and Culture, Office of the City Clerk and the Library Department – on proposed amendments to City Policy 100-02 City Receipts of Donations. These changes are intended to revise the City's outdated procedures for receiving and processing donations. The expected results include attracting larger individual donations, improving customer service, improving the review processes and eliminating duplication of efforts by City staff.
- A report from the Arts & Culture Commission on proposed amendments to the San Diego Municipal Code 26.0701-26.0730. These changes would not incur any cost and are designed to improve fiscal accountability, conserve resources and preserve or increase the value of City art assets.
- A report from the City Clerk's office providing three options as to the official responsibility for transcribing and maintaining records from City Council Closed Session meetings.

The Rules Committee will meet tomorrow, Wednesday, June 25, 2008. The Rules, Open Government, and Intergovernmental Relations Committee meets one to two Wednesdays per month at 9:00 a.m. in the City Council Committee Room, 12th Floor, City Administration Building located at 202 C Street in downtown San Diego.
